AeroSonic Audio - Brand Guidelines 2026

1. Brand voice
Confident, precise and quietly futuristic. We speak like an engineer who loves music: concrete numbers first, hype never.

2. Colour palette
Primary: Midnight Navy #0B1F3A
Accent: Signal Cyan #00C2D1
Text on dark: Soft White #F4F6F8

3. Audience
Remote professionals and frequent flyers aged 25-45 in the US and EU.

4. Language
All consumer advertising is written in English.
